### January Holiday Activity Day Programme 2025

#### What is Community Sports?

Ivybridge Community College takes great pride in being able to welcome members of the public and community groups on-site to use the fantastic facilities outside of curriculum hours. Managed by the Community Sport Department, they are able to host sports participation, fixtures, competitions and a fantastic Holiday Activity Programme. Our aim is to bring the community together by providing a range of sporting activities.

Community Sports will be hosting a January Holiday Activity Day for children ages 4 to 14.

The activities included in the day will help keep your child/children busy, active and create life-long memories and friendships.

We are really excited to offer you the opportunity to drop your children off and complete your first day back at work with peace of mind that they will be having fun, ensuring a great start to the New Year.
