

SAFEGUARDING CHILDREN

THE ROLE OF EVERY ADULT

IVYBRIDGE COMMUNITY COLLEGE

Ivybridge Community College is committed to the safeguarding of all its students, staff and visitors. Safeguarding is a priority with arrangements in place to ensure everyone's safety on College premises and during off-site activities. The College ensures that safeguarding legislation and guidance are adhered to and taken into account when developing and revisiting policies and procedures. We provide a safe physical environment for our students and staff, ensuring that the campus and premises are of a good standard. Our College's commitment to safeguarding is paramount to the success all students.

What may raise your level of concern

- Marks on the child's body
- Comments made by the child - disclosure or descriptive remarks
- Changed behaviours, emotions, unusual amounts of money or presents, or carrying more than one mobile phone

However, there may be non-abusive reasons for these.

How to deal with a disclosure

Do . . .

- Take the child seriously
- Reassure them that it is alright to tell you
- Take your time
- Let them speak
- Listen carefully
- Ask open questions
- Clarify with open questions
- Say what you will do next e.g. report to Designated Safeguarding Lead
- Record verbatim and sign and date
- Provide factual information
- Consider medical attention
- Liaise with Designated Safeguarding Lead at the earliest opportunity, who will refer to Children's Services, if appropriate

Do not . . .

- Promise to keep it a secret
- Stop the child from speaking
- Ask leading questions
- Question unnecessarily
- Make assumptions
- Minimise
e.g. "That doesn't sound serious"
- Try to deal with it on your own
- Delay in passing on your concern
- Force the child to recall
- Ask the child to show you any injuries requiring the removal of clothing
- End the conversation abruptly
- Criticise the alleged perpetrator
- View photographs or images (If these are accidentally shown to you please report as soon as possible)

Following a Disclosure

- Pass on the concern to the Designated Safeguarding Lead, as soon as possible
- Confidentiality - you should only discuss your concerns with appropriate other people; it is not a matter for gossip
- Record-keeping is essential - accurately record what is said and done on CPOMS. Hand written notes should be scanned onto CPOMS

If you have concerns you must contact the Safeguarding Team

- Keep a record of your concern, sign and date it
- Follow up and ensure your concern has been actioned
- If you are uncertain whether to 'bother' someone - pass the information on to a Safeguarding Lead, who will be wearing a Yellow Lanyard

In Summary

Students will sometimes disclose sensitive information to someone they perceive as a friendly person. In this situation we ask:

- Never promise to keep this information a secret
- Do **not** ask leading questions
- Make a written note of what is said, ideally at the time of disclosure or as soon afterwards as possible, using the student's words
- Reassure the student that they were right to pass on their concerns
- Pass information onto the Designated Safeguarding Lead or another member of the Safeguarding Team
- Keep information confidential; it is not a matter for gossip
- Do not worry that you might be wasting someone's time. . . if it concerns you, pass it on.
